P. J. MURPHY, the Jeweler.

Mr. Harry Robinson has been appointed Manager of the Western Union Telegraph Office in this city, to take effect on or about the 18th of this month. This is certainly an appointment that will please the whole people of this city, as well as the transient patrons of the office, as Mr. Robinson is a capable operator, a sober, industrious gentleman, and one who will attend strictly to the business of the office. He was for years the clever operator in the L. and N. office here. He succeeds Mr. J. C. Griania, who was sent here from Paris to fill the place temporarily.

With many thanks to those who have so long and so generously favored me with their patronage, I will be under additional obligations to those indebted if they will make prompt settlement of bills, which are now ready at my former store, in order that my business may be closed up.
Mrs. L. V. DAVIS.

BOARD OF EDUCATION

The Board of Education met last night upon the call of President Nesbitt to hear that part of the Committee on Rules and Regulations report that refers to the constitution of a Board of Examiners, and to take action regarding said Board of Examiners; also, to pay any bills that might be presented.

Eight members answered the roll call. The Claims and Accounts Committee reported bills to the amount of \$41.10, which were allowed.

President Nesbitt then asked for the report of the Committee on Rules and Regulations relating to the constitution of the Board of Examiners.

Mr. Cochran, who is a member of that Committee, stated that he had a partial report to make, the Committee having all the new rules and regulations to report as a whole.

Then the fun began, and for over an hour there was a very heated debate.

Seeing it was useless to attempt further proceedings along the line mapped out in the call, Mr. Geisel moved to adjourn, which prevailed.

After adjournment another call was prepared for a special meeting tonight, the call, being to consider the report of the Committee on Rules and Regulations as a whole.

SUCCEEDS MRS. DAVIS

Miss Emma B. Luman Yesterday Purchased Millinery Stock

Miss Emma B. Luman yesterday purchased of Mrs. L. V. Davis the latter's stock of Millinery, taking charge at once, and will continue the business at the same location.

She will continue to conduct the business on the same high plane which has heretofore been recognized, aiming to give to her customers the best in her line, and in her retirement Mrs. Davis bespeaks for her successor the liberal patronage which she has enjoyed.

Miss Maria Boyd will continue her position under the new ownership.

The many friends of Miss Luman, in the beginning of her business career, wish her unequalled success.

Mr. James M. Toncray of Tollesboro was in the city yesterday. Just one week ago Mr. Toncray had an ugly cancer removed from the left side of his chin by Dr. Irvin, and it has now almost completely healed up. Owing to the advanced age of the patient, it is considered a remarkable case of quick healing.

THE nomination of "PRES." KIMBALL by the Democrats of the Seventh District will insure a clever and an honest Representative in Congress, anyway.

AUNT CARRIE NATION, poor old girl, is in Jail again. This time she has been arrested at Cleburne, Texas, by a United States Marshal, charged with having misused the mails. The warrant comes from Guthrie, Okla., and specifies that she deposited in the Postoffice a publication containing an improper article headed, "A Private Talk to Boys."

THE Supreme Court of New York has decided that the manager and proprietor of a theater has a right to say who shall enter his place of amusement and who shall not, his playhouse being a private and not a public place. This will be bad news to a lot of hoodlums who think, because they buy a ticket and get into the house, that it belongs to them.

If I should attend a State Fair at Lexington Editors SAM ROBERTS and DESHA BRECKINRIDGE, DICK ARNSPICKER, MAT WALTON, MITCH ALFORD, PRES. KIMBALL, GEORGE BAIN, Judge DURHAM, GEORGE MUIR, and the whole gang of good fellows would beat the train to ask me to go home with them; when I go to the State Fair at Louisville, the Reception Committee will consist of two policemen, sixteen ragged newsboys who want to carry my gripsack around the corner for a quarter, and enough bums to drink the Canal dry.

On Friday, July 13th, a body of Newport Elks left for the National Convention at Denver. The train consisted of 13 cars. Now, look out for the lunk that will follow.

In spite of Mr. BRYAN's oft-repeated declaration that the refusal to adopt his "fad" of the free and unlimited coinage of silver would drive gold out of circulation, 16 tons of gold coin, of the value of \$10,200,000, has just been dumped into the New York Sub-Treasury from Europe. Mr. BRYAN has a whole hunk of guesses yet coming to him.

THAT such a supposedly "business establishment" as the Postoffice Department continues to permit "second class rates" to purely advertising publications and to thousands of issues that are neither legitimate newspapers nor magazines, is one of those things that no fellow can find out. With the second class rate confined to publications entitled to it, the deficit in postal administration would cease.

It is stated now that the Democratic State Central Committee has determined to shake off the Hargis gaug. If the resignation of JAMES HARGIS is not handled in by August 1st, at which time the Committee meets, he will be expelled. It is high time they should take such action.—Flemingsburg Times-Democrat.

How can you say such harsh things of this Apostle of the Goebel Democracy? First thing you know, you'll be *persona non grata* with the powers that be; and then you'll be classed as a Man-with-opinions-and-not-afraid-to-express-'em.

REAL NEWS OF THE EVENT.

Philadelphia Press.

"Your wife," began the reporter, "and the man with whom she eloped have been located in New York. They were on their way to Europe, but they lost their money—" "Well?" said the man quite unmoved. "Why—er—" stammered the reporter, "we thought you might want the news, and—" "That's not the news. The news is that I've just sent them enough money to see them through."

When the German Emperor goes out shooting his gamekeeper places a forked stick in the ground to make a nest on. For everything that is shot a notch is made in the fork, and when this is covered with marks a new one is brought into use. A letter came yesterday announcing that Naval Cadet Charles Best, son of Mr. and Mrs. Thomas L. Best of this county, and Cadet Dearing of Flemingsburg, who left Annapolis for a cruise June 16th, had arrived safely at the Madeira Islands, after a pleasant voyage of thirteen days.

Police Court.

Yesterday was a busy day for Chief of Police Ort and Police Judge Whitaker. There were quite a number of cases on the docket to be disposed of, and each accused had the witnesses, who in turn had their friends there, and when the hour for Court to begin arrived it looked as if there was an important case to be tried, from the number of spectators on hand.

The first case to be heard was that of Tom McGuire, who was charged with being drunk and disorderly. He drew a prize of \$6.50 for his fun.

William McCarty, an umbrella mender who was picked up off the street in front of the New York Store by Chief Ort, also drew \$6.50. Thomas Kain, for a plain jag—and by the way, the first one for some time—was assessed \$6.50.

Wheeler Lewis, the young darkey nreated Sunday, charged with cruelty to his wife, was given \$15.50. His wife said he slapped her in the face and then chased her around the house with a big knife.

The case of a breach of the peace against Robert Rogers was dismissed.

The trial of Eliaba Gill was postponed until this afternoon.

The case against Bob Warner was put off until this afternoon.

The charge of assault and battery against Henry Mason, who struck Mr. Ed. Whittington with a beer bottle, was continued until this afternoon. His bail was fixed at \$250.

The case of Lewis Willis Tolliver, William Lowe, Sarah Lowe and Fannie Green, charged with having stolen garden truck from Mr. Andrew Hunter in Forest avenue, was set for this afternoon, and from the number of witnesses it will consume some of the Court's valuable time in hearing the case.

All those who were fined yesterday afternoon were sent to Jail.

Yesterday's rain was general throughout the county, and the benefit to the corn crop is incalculable. It was the first good rain that has fallen in the Western portion of the county for some time, and consequently was badly needed.

Messrs. Seely & Slack, the New Central Hotel Tonsorialists, yesterday afternoon secured several nice pictures off the old steamer Courier while she lay here at the wharf, among them being a photograph of the boat and a colored painting of George Washington.

Beautiful Beechwood.

Notwithstanding the rain last night an audience of fair proportion witnessed the vaudeville show at Beautiful Beechwood, and they were amply repaid for going, for it was their pleasure to see one of the best shows of the season. Parish, the ventriloquist, is beyond a doubt the best that has ever been seen in Maysville, and his act alone is worth the price of admission. The new illustrated song, "Hello! Alright! Goodbye," was well rendered. Love and Rollas have a good singing and talking act. All lovers of moving pictures should see the Kinodrome pictures this week. The one showing Naples near Mount Vesuvius is very interesting and instructive, and "Hop O' My Thumb" pleases young and old alike and nothing could be more real than this delightful old fairy story. Don't let inclement weather keep you away, as the full vaudeville program is given nightly.

Deafness Cannot be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; unless cases of deafness are cured by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

COULD NOT REST NIGHT OR DAY

With Irritating Skin Humor—Whole Body Affected—Scalp Itched All the Time and Hair Began to Fall Out—Wonderful Result From

APPLICATION OF CUTICURA REMEDIES

"I am never without Cuticura Soap and Cuticura Ointment since I tried them last summer. About the latter part of July my whole body began to itch. I did not take much notice of it at first, but it began to get worse all the time, and then I began to get uneasy and tried all kinds of baths and other remedies that were recommended for skin humors; but I became worse all the time. My hair began to fall out and my scalp itched all the time. Especially at night, just as soon as I would get in bed and get warm, my whole body would begin to itch and my finger nails would keep it irritated, and it was not long before I could not rest night or day. A friend asked me to try the Cuticura Remedies, and I did, and the first application helped me wonderfully. For about four weeks I would take a hot bath every night and then apply the Cuticura Ointment to my whole body; and I kept getting better, and by the time I used four boxes of Cuticura I was entirely cured, and my hair stopped falling out, but I continue to use the Cuticura on my scalp. It keeps all dandruff out and scalp is always clean. I always use Cuticura Ointment on my face after shaving, and have found nothing to equal it. I will never be without it." D. E. Blankenship, 319 N. Del. St., Indianapolis, Ind.

Oct. 27, 1903.

RECOMMENDED TO ALL MOTHERS

"I have used Cuticura Ointment for chafing of infants, and as they grew older all skin diseases were given treatment with that and the Cuticura Soap. I never found it necessary to call a doctor, as these Remedies are a sure cure, if used as directed. I am glad to recommend them to all mothers." Sincerely yours, Mrs. F. A. Kennard, June 21, 1903, St. Paul Park, Minn. Cuticura Soap, Ointment, and Pills are sold throughout the world. Potter Drug & Chem. Corp., Sole Agents, Boston. "Balded Free," "How to Cure the Skin."

The Sherman Anti-Trust Law will get squarely before the United States Supreme Court for the first time since it became a law, under the pleadings just perfected in the case of the alleged Fertilizer Trust, under indictment in the Federal Court in Nashville.

The men in the collieries of the Central Pennsylvania bituminous coal district, numbering nearly 40,000, who have been idle since April 1st, when the mines closed down because the operators would not restore the scale of 1903, will resume work on practically the same scale as 1905. The agreement is regarded as a compromise, the miners getting the wage advance and the operators the open shop, arbitration and check weighman points.

Twenty men were thrown overboard Sunday from a New York excursion boat by toughs. They invaded the outing given by the "Jolly Bachelors," and pistol shots and knife duels were common throughout the day. When a man resisted the toughs, he was thrown overboard, and Captain Pearsall stopped the steamer Sea Gull twenty times to send boats after such unfortunate. One man was badly stabbed and a girl was shot. So violent were the toughs that the police yielded to them and let them have their own way. One man was arrested. It was one of the usual Sunday riots of the East Side gangs.

Waiting doesn't pay.
If you neglect the aching back, Urinary troubles, diabetes, surely follow. Doan's Kidney Pills relieve backache. Cure every kidney ill. Maysville citizens endorse them.
Mrs. Lizzie Bridges, wife of Elmer Bridges, of 206 West Third street, Maysville, Ky., says: "In March, 1900, I gave a testimonial praising and recommending Doan's Kidney Pills and in it I told how I learned the great value of this remedy. I had been troubled with a bad back and weak kidneys from girlhood, and in my efforts to find a cure I tried every medicine I could find, but without benefit until I began using Doan's Kidney Pills procured at J. Jas. Wood & Son's Drugstore. They proved just the remedy I needed, went right to the cause of the trouble and as a result brought relief that led me to testify in their favor. I have never been without Doan's Kidney Pills in the house since. Every spring I take a box whether symptoms of kidney trouble are apparent or not, and in this way keep the kidneys in good condition and guard against attacks of my old trouble."
